CHRIST.

The whims of the Tyrant are often beneficent and generous; those of the popular majority are almost invariably savage and cruel. They exalt the Rienzer, only that they may in a little while how out execratious upon them as they walk the road that leads to death. They and Stevenses, only that they may by and Stevenses, only that they may by

The Despot may be a great Captain the intelligence of the country, and the attempt is now made to administer of a base injustice, cast his voic; and if then we are the attempt is now made to administer it by the ignorance and want of intelligence and it is now made to administer it by the ignorance and want of intelligence and if then we are conciliate the people and win their affection, like ALEXANDER, CESAR, CROMwell and Napoleon, but he may be,
like three of these, an able and wise administrator of public affairs, jealous of the
honor of the country he governs, and eager
to win for her influence, power, consideration and renown. There were such
ration and renown. There were such
that the people, including the negroes,
that the people, including the negroes,
to win for her influence, power, consideration and renown. There were such
that the people, including the negroes,
that the people and win their affecto by the ignorance and want of intelligence of a mass of new voters. This is
again and again, until untiring exertion
is crowned with success. At last the
Right will conquer and political villainy receive its just reward.

We need not urge the maintainance
of peace and order. No Conservative,
we are sure, thinks of anything else. great men among the Roman Emperors, that the people, including the negrons, the Saracenic Caliphs and the European are not espable of self-government. No one seems to think of the danger of the Emperors and Kings. No names are more illustrious than those of Hadrian, Train and Antoninus Pire, than Ambran and Antoninus Pire, than Ambran and Solyman, than Chaelan and Charles V, Fredrick II, Maria and Elemanth of England. The absolute despot is rarely jealous of the mitideclare martial law, when the may avail himself of the survices of the citizens hope that General All gard one not often profer incompetancy and ignorance, for public employments, to eapleity, intellectual greature of the martial results of the survices of law of the people are eatisfied that republicating. The ministers of Monarch in the receiver of a popular majority of But it is the rule and law of the popular majority of their folly.

But it is the rule and law of the popular majority of the survices and the rule and law of the popular majority of the rule folly.

If we are defeated, we can afford to wait. It is a long lane that has no turn witt. It is a long lane that has no turn witt. It is a long lane that has no turn the coloured vote is thrown against us now, it will not be long until the negroes find out they have been fooled and cheated. Radical promises will not buy them bread and mean, nor cheep the most superior iron against us now, it will not be long until the negroes find out they have been fooled and cheated. Radical promises will not buy them bread and mean nor cheated the most superior iron against us now, it will not be fooled and cheated. Radical promises will not buy them bread and mean, nor cheated in the citizens hope that General Thomas will declare martial law, when he has no power will get dog's pay. It is an old french the will not buy them bread and mean nor cheated them to five in lidences. He will not buy them bread and mean to making company at als.

We have had the pleasure of a call there is not universal suffrage. Constitutional liberty has been regarded as insecting the complete the complete that the complete the comp tance for the suffering, destitute, starring for its existence upon every freeman, or families on John's Island, St. Andrew's Parish, S. C., eight miles from Charleston. We hope that her mission of candidate nominated by a caucus of schedule, and the said Senators and Rep. charity may be crowned with success. None of our people suffered more during the war, or were more completely impoverished than those of the islands on party managers. In all the essentials of freedom, either England or France is far more free to-day than the United States, poverished than those of the islands on and no country is much less free than

none more deserve our sympathy. The truth is, as we are rapidly finding grees, in compilator with the request shade lower, 40. Government stocks eries of the suffering only reach us when out, the absolute rule of the popular masone messenger comes from them with jurity is in the end necessarily fatal to section of which is in these words:

above set forth, passed an act, the first without decided change. Stocks heavy, some messenger comes from them with jurity is in the end necessarily fatal to

acts of wanton outrage upon human states, and rob the executive office of its rights. There are no such restraints upon the popular majority in a republic. If the Daspot is sane, he does not hate the common people over whom he reigns, but only those powerful nobles or great citizens whom his fears and jealousles lead him to regard as dangerous to the State and destroyed the King, who had become by the Constitution the outside the union on an equal footing with the original states in the stability of his rule. But there, therefore the condition as France was when the National Convention grasped all the powers of the State and destroyed the King, who had become by the Constitution the union on an equal footing with the original states in the stability of his rule. But there, therefore the distribution the regard as dangerous that the said forty-eight counties may be formed into a separate visitional Convention grasped all the powers and prerogatives.
